MARINA BAY SANDS

Asia's most spectacular and flexible destination for business, leisure and entertainment

One of the world's most desirable business, leisure and entertainment destinations, Marina Bay Sands* is a centrepiece in Marina Bay, Singapore.

Conceived by world-renowned architect Moshe Safdie, this spectacular integrated resort combines the Marina Bay Sands hotel with three impressive hotel towers crowned by the awe-inspiring one-hectare Sands SkyPark™, a grand event plaza on the waterfront, state-of-the-art MasterCard® Theatres, the cutting edge lotus-inspired ArtScience Museum™, signature shopping and dining outlets such as the award-winning Celebrity Chef Restaurants, and the foremost MICE (Meetings, Incentives, Conferences and Exhibitions) facilities and multiple unique venues – all within one iconic landmark.

Located in the heart of Singapore's city centre; a mere 20-minute taxi ride from Changi Airport, and walking distance to the Central Business District – they all add up to strategically position Marina Bay Sands as a compelling MICE venue unlike anywhere in the world.
